## WORK in PROGRESS

A great number of etalons have been re-edited, corrected and enhanced with usefull information. This project continious to go on and is done by an enthusiastic NLS Usergroup.

Your submission of EUR 125, -- will allows us to cover the basic costs and will give you 12 month of free updates after purchase.

Please contact us at Dr. Jabir Hayyan - [hayyan.jabir.ibn@gmail.com](mailto:hayyan.jabir.ibn@gmail.com)

We'll contact you and check if your NLS-system is suitable for a software update.

We'll only charge you, if the database will work on your system.
